Standard Terms of Agreement

The HM Courts & Tribunals Service does not accept any liability for services provided.

The agreed **maximum** prices that may be charged by a transcriber are set out in the guidance *EX107 info* but you may wish to negotiate a price within the maximum with the transcriber.

Terms

1. Transcripts and copies will be provided only with the approval of the court.
2. All queries relating to orders placed must be raised with the transcriber.
3. Unless otherwise agreed, the transcriber will provide all transcripts of evidence within 15 working days of receipt of the tape(s) from the court.
4. Transcripts of judgments will need to be approved by the judge prior to distribution and shall be certified to that effect. The transcriber will therefore provide transcripts of judgments within 5 working days of the judge returning the approved judgment to the transcriber.
5. Upon request, the transcriber will endeavour to provide transcripts or copies of judgments and evidence within 48 hours of receipt of the tape(s) or authorisation, at a 20% premium.
6. Copies of existing transcripts of evidence or judgment shall be supplied within 5 working days of receipt of authorisation from the court, and should be charged at copy rate.
7. Invoices shall be submitted by the transcriber to the ordering party identified on the request form only and payment terms shall be as agreed between the ordering party and the transcriber.
8. If, prior to completion of an order, an additional Authorised Body requests a complete transcription (or exact part of, i.e. judgment/legal argument etc), the total cost will be divided equally between all those who have submitted an order. The total cost will comprise one transcript fee, plus the cost of additional copies.
