### **Section 8:** Putting things right – governing body or proprietor

The Tribunal has no power to order a school to pay you compensation. It can only make orders against the responsible body (normally the governing body or proprietor) for a school, not against an individual. If the Tribunal decides in your favour, what would you like it to order? You may like to add why you think any order you are asking for is appropriate.

If you need more space please continue on a separate sheet of paper but make sure that it is firmly attached to the form.

- 2. Any document which helps the Tribunal to understand your disability (e.g. a statement of special educational needs, a relevant medical report, an assessment by a therapist or psychologist)
- 3. Correspondence with the school about the issues in the claim
- 4. Other educational documents, for example your school report, individual educational plan, school policies
- 5. Other documents (for example a statement from another parent, another organisation)

Please list the documents you are sending with the claim, the date of each document and number of pages, its author (if known), and, if it is not obvious, why the document is relevant.
